Tulip Time Grand Finale Plans Announced

Holland, Mich., April 10, 2019 – Tulip Time® Festival (www.tuliptime.com) announces plans for the festival's grand finale evening at Kollen Park on Saturday, May 11, beginning at 6:30pm.

Tulip Time invites the community to join us for this FREE grand finale celebrating the last evening of the festival! Come early, claim your spot and enjoy the activities, music and food leading up to the start of the fireworks.

ENTERTAINMENT

We are excited to offer live music at this year's grand finale celebration! Macy Krew, a 22-year-old singer/songwriter from Nashville, originally from Grand Rapids, MI will be joining us for the evening!

You might recognize her from American Idol, where she made it to Hollywood and is a recognized alumna of the show. She sings country pop music and her debut single to radio, "Wherever You Are," made a large first impact in the music industry. The song has been added to radio stations where it hit Top 40, featured in Nashville's Lyric Magazine, recognized as "the next big hit" by Nashville's Next Women of Country, and has been acknowledged by talk shows around the country. Her powerhouse vocals and country twang pair well with the original songs she pens with honesty and attitude. Macy Krew is bringing the sparkles and sass to country music in a way never seen before, bringing the stage to life with contagious energy. She brings a large crowd with her everywhere she goes and gives a concert you won't ever forget. The performance will consist of two 45-minute sets beginning at 7:00pm at the Band shell in Kollen Park.

BAND SHELL STAGE SCHEDULE

6:30 PM - Welkom

7:00 PM - Macy Krew

7:45 PM - Macaroni & Cheese Eating Contest (Hosted by Noodles & Co.)

8:15 PM - Macy Krew

FIREWORKS

Following Macy Krew's final musical set, will be the fireworks extravaganza! At dusk, the sky will be illuminated over Lake Macatawa with one of the most brilliant fireworks displays the festival has ever hosted. The show will contain about 30% more pyrotechnics than previous years and is sure to be an exciting spectacle. The fireworks can be viewed at Kollen Park. The rain date for this event is Sunday, May 12.
